Kenneth Hooper

June 5, 1996

At my father's request I'm sending this  
print package. I'm my father's record  
in the 1st of June Community. I'm a  
retired AFA employee and thirty years  
in CA under Jim Angleton. There are clues  
to be found in these documents. I can  
say no more. Good luck.

Julia
